I' round to me this morning that planing and during were two of the begget treatmere weaknesse that I haver. Not ong do frust pary bill was month - "what was month!" I am moble to plan varation on intelliged because time artimes. It would be from going White rafting on Spriling down a mane ming, I om bother mow that I well to be - but still putting por. 1 that plumy sharing a hour while is Althy and broke lile shit becam I don't have romeone to clean for 15.00 an week. That ny town, wently in my not morting people ours. and fully enjoying the house. This last year I have gone to England I halered Florida in the Sours, Museray & Man. Pors planning is not getty the care Jeed, etc. (1) Should from the Sweens (3) The majornauces facing the lety.
(3) Where should we be one year from now Thy Times - "What is sometime," - 1917 - The Mevolution 1918-22 - Me Boon line Wor 1924 - Lemi Deart 1924-27- The left of Told 1927. Stalingelie all Wan Denth of Atalian Khroschers souls.
